RE: Authorizing Approval for New HVAC Cameron Community Center

Issues

The Cameron Community Board is requesting the authorization from City Council to purchase a new HVAC system for the Cameron Community Center. The existing system is no longer operating at full capacity. There are two furnaces that supply the center with heat. One of the units is no longer operational and serviceable. There are also two air conditioning units that that are not functioning correctly and are older units. With the increased activity at the Cameron Community Center, the board is looking ensure a pleasant experience for those who reserve the center.

The Cameron Community Board and City Staff received a total of four bids to replace the HVAC system. The bids ranged from $28,995 to $15,750. The board is recommending the bid submitted by Foster's Heating and Cooling systems out of Chillicothe, Mo. Foster's bid amount was for $18, 574.

Recommendation

City staff recommends approval and acceptance of the bid.
